

ACORNS NURSERY PROVISION INFORMATION

We offer flexible packages which are bespoke to individuals. Once your chosen sessions have been agreed we will input these onto the Gateway app and the fee for the whole term will be generated. Sessions will be set for the full term. On your phone, when you log on to the Gateway app you will see your full-term balance – so you can either chip away at it day by day, weekly or monthly. Initial requests and any changes must be directed to room leaders and the manager in order to confirm availability.
